- *Member* Cie Biosecurity, BVF Platform, 2012/13
- *Member* “Klankbordgroep”, Biosecurity Toolkit”, 2012/13
- *Member* Expert group, Project Biosecurity, 2013
- *Member* “Klankbordgroep”, Working Group Biosecurity KNAW, 2013
- *Co-chairman*, LabSafety Event, Incl. Biosafety versus Biosecurity, 2015

Biosecurity @JVP

- Introduction of 'A Code of Conduct for Biosecurity'
- Topic 'biosecurity' in:
 - EHSS Departmental Training
 - Biosafety Program
 - Biosafety intranet site
- Performing Toolkit by Biosafety Officers
- Questions from the organization on biosecurity
- What to do next?

Biosecurity @JVP

- Student ('Integrale Veiligheidskunde'), period March-Jun3, 2019
- Topic: introducing Biosecurity via interviews using toolkits
- Reaching out to stakeholders via email (signed by BSO Lead, EHSS manager, Legal Director and Strategic Operational Support Leader)
- Interviews with stakeholders *; 2x persons/pillar; explain/use Self-scan Toolkit and Vulnerability Scan
- Results (Top 3 'priority pillars')
- Conclusion

(*) afterwards 'awarded' with small gifts

Stakeholders

Biosecurity stakeholders		
Pillars	Persons	
-Awareness	BSO BSL-3 lab	BSO Lead
-Personnel reliability	Lead Human Resources R&D	Senior Scientific Director Vaccine Research
-Transport security	Manager Warehouse & Logistic	Team Lead Logistics
-Information security	Legal Director	IT Lead
-Accountability for materials	BSO BSL-3 lab	dept BSO BSL-3 lab
-Emergency response	Manager EHS	EHS Technican
-Management	Strategic Operational Support Leader	Director Technology Transfer
-Physical security	Supervisor Security	Supervisor Facilities

Results Self-scan Toolkit/Vulnerability Scan

- 3x 'priority' pillars
- Doesn't exclude attention to other pillars
- Looking for quick wins

Janssen  Infectious Diseases
& Vaccines

PHARMACEUTICAL COMPANIES OF *Johnson & Johnson*
